## 2. OLD BUSINESS

---

### 2.1. State Shoot/GLC Host Club Participation & Process for Determining State Shoot Venue

Discussed at 4/22/20 Meeting: We need to understand better why there isn't greater participation from clubs to host tournaments to provide our membership with more options. Further exploration is required, may need to survey clubs. Steve recommended MSCA allow for electronic voting for the membership to decide upon the host club for the State Shoot. Kathy made the same recommendation last year. It was not supported. Again, this would require a By-laws change. Concerns raised the 2/3 of the MSCA membership does not participate in the tournament. Needs further discussion. May survey the membership.

Discussed at the 6/1/20 meeting: KML can create survey re: preference for selecting shoot. Drew would like the survey to include who is allowed to vote. Jim will write something up for us to react to regarding the subject. We may not elect to poll the membership. Exploring options; needs further discussion.

Jim's 6/3/20 email to the Board:

"On the discussion of change to the selection of the State Shoot, when/if we decide to poll the membership, I would like to pose the following to the Facebook page community:

(draft) Discussion has been initiated between member shooters and the MSCA Board on the way the host venue for the State Shoot is selected. Currently, in accordance with the MSCA By-Laws Article X, the host club selection is made by the MSCA general membership by vote. Each MSCA shooter in good standing and in attendance at the current year's State Shoot selects between the presented bids. No proxy votes are allowed. An announcement is then made, usually at the State Shoot dinner.

The MSCA Board would appreciate any thoughts and suggestions from the membership on whether to continue the current State Shoot selection procedure or pursue adjustments, keeping in mind that any changes would necessitate a change also to the current By-Laws. Please respond via email or Messenger (NOT COMMENTS TO THE FACEBOOK PAGE) and include your NSCA membership number. Thank you, The MSCA Board (end draft)"

7/6/20: Deferred

8/3/20: Combined this topic with 2.5: MSCA Membership Survey re: Voting on State Shoot moving forward.

Russell asked about thoughts or ideas people might have on how this could be different. There are 4 clubs that are eligible to host the State Shoot. How do we help other clubs prepare for meeting the criteria and hosting the GLC? We only receive 2 bids for the 2021 State Shoot. There was much discussion about how to promote our shoots and encourage participation, from raffles of firearms, to the "Shoot the State" campaign. It was decided that this year we will move forward with MSCA members who participate in the 2020 State Shoot voting for the 2021 State Shoot, as indicated in the Bylaws. Suggestions made regarding moving toward a rotation of qualifying clubs for the State Shoot with signed contracts (in lieu of bids) to meet expectations from the host club. If a club cannot host their year, they could pass and the venue would move to the next club in the rotation. This needs further discussion and an eventual likely vote of the MSCA membership. Any changes would require a change in the Bylaws.

9/14/20: Will hold a special meeting to address this agenda item.

10/2/20: Will wait until more Board members present.

# 3. NEW BUSINESS

---

## 3.1. Roles and Responsibilities for MSCA Officers

Russell Brzezinski

MSCA decision making process for items not already accounted for in the current By-Laws.

---

### 3.2. NSCA Process for Cancelling or Scheduling of Shoots

Russell Brzezinski

1. There isn't an option to "postpone" a shoot. It's either cancelled or scheduled.
2. For new shoots, one consistent person from the MSCA Board (traditionally, the Secretary) is to contact NSCA with the details.
3. Cancellation of shoots. Individual clubs may contact NSCA to cancel their own shoots. The club should contact MSCA Board as well, in case another member wants to pick up the date. We, as the Board, can mandate that we remain the sole contact for cancellation, if we so choose. NSCA would rather be notified by both the club and MSCA to prevent gaps.
4. Name change of the shoot. Clubs may contact NSCA to change the name of the shoot. Again, we, as the Board, can mandate that we remain the sole contact, if we so choose.

### 3.3. Sponsorships/Advertising Protocol

Russell Brzezinski

---

### 3.4. Posting of 2021 Board Meeting Dates on Facebook and Miclays

Russell Brzezinski

Are MSCA club members and shooting members allowed to attend a scheduled Board meeting? If so, how would they know when/how to attend as meetings are now virtual?

---

### 3.5. Board Outreach to MSCA Clubs

Russell Brzezinski

May be beneficial to MSCA Clubs and the Board to connect throughout the year. Possibility of individual Board members reaching out to Clubs or hosting a Town Hall meeting for Clubs with the Board.
