Minutes Report

The regular monthly meeting was called to order at 2:45 PM on September 29th, 2012

The **Treasurers Report** was read at 2:50 PM by Kirk Todd. A transaction report was passed out for verification. Balance as of 9/27/2012 is 9,393.22.

A motion was made by Dennis McKeough to accept the treasurer's report. The motion was seconded by Kim Jones. The Report was accepted unanimous by the board.

New Business

A discussion was started on timelines for getting the shoot cards and other information out to the shooters by certain dates as well as making sure that information was delivered to the **NSCA** in a timely fashion to ensure that clubs could take advantage of the **NSCA** advertising. It was noted that up to **8 clubs** had not yet paid dues. Those clubs being:

Action Shooting
Big Bear
Capitol Area
Blendon Pines
DSC
FreeLand
GB
Huron Pointe

Verification of those clubs will be done by Kirk Todd.

It was also noted that a couple of clubs owed MSCA for shoots that had taken place. This will be addressed by Kirk Todd.

A question came up on the payment of advertising on the shoot card. Research and verification of who may want to advertise on the shoot card and the cost. Kim Jones will get this information for the MSCA.

It was noted in the discussion that shoot numbers are still fair and better than 2 years ago.

A question was asked if the MSCA had spoken about or had discussed the monies available for the State Shoot and the Great Lakes. It was ascertained that we had spoken

about those monies and amounts. **Note: this question was asked by a club member in attendance.**

Permission was asked by Kirk Todd (Treasurer) if he could write a check to himself in order to pay for the lunch that was provided at this meeting. A motion was made by: Kim Jones to allow this. It was seconded by Drew Lieske. Voted on and approved by the board for this instance.

Web site update. All is well on the web. Questions were brought up concerning featured shooters on the web. Names mentioned for upcoming features were: Kirk Todd, Danny Williams and Greg Larson.

A discussion was then brought up on the **By-Laws-Changes**. These changes were discussed and a vote was taken by the board for approval of these changes. The changes were defeated. There will be no changes at this time.

A question was asked on the MSCA planned support of the SCTP. This discussion was tabled until the next meeting.

A short discussion took place on the yearly shoot numbers and the number of shooters in the state whom shoot 100+ targets per year. These numbers are available from the NSCA.

It was noted that mailing addresses for materials from the NSCA are still being sent to an older address. Kim Jones will contact the NSCA to have that information redirected to the current Secretary of the MSCA.

A discussion then was taken up on shoot cards and ballots and their dispersion to the shooters. It was brought up that perhaps printing physical shoot cards and dispersing them may not be the best way. It was suggested that perhaps the Web might be the way to do it. General consensus was that shooters and clubs like having the card. Kim Jones will take care of the cards and their dispersal.

A discussion then took place on the upcoming elections, whom will be staying and who may like to run for the board. Some names mentioned were Duane Hartman, Danny Williams, and Mark Birka to name a few. Kim Jones will head up the process for finding persons willing to run.

It was noted that we are pushing for a November 1st mailing of shoot cards and ballots.

Date for the next meeting is December 2nd 2012 at 7:00 PM. It will be a web based meeting. Jovan will send the invites.
